This transcript displays undergraduate, graduate and professional records. Academic records in the Doctor of Medicine program must generally be requested separately although in certain cases they may be included for a student with other academic programs at the university. Academic policies no longer in effect, including grading schemes, may be represented in contemporary Bulletins or at www.registrar.wustl.edu.
This transcript is accurate as of the date it was printed.

Such statuses, as well as voluntary leaves, are noted on the transcript. Other statuses that do not interrupt the progression of enrollment are not included.

Grading
Unless stated otherwise, Standard Grade Points listed below are used. The School of Law's grade policy includes the Grade scheme listed below for certain courses but does not apply grade points. In addition, the School of Law employs a numeric scale for certain courses, with grade and quality points ranging from 4.3 to 2.5 by tenths. By School policy, grades earned by Law students may have different impacts by program of study to students' GPAs.

Prior to Fall 2025, grade policies for certain combinations of programs and enrollments were enforced and recorded differently. As a result, transcripts produced today for records prior to that semester may reflect different calculations of units and/or grades than what were recorded at the time.
